We're a family of racers and we definitely take our business and racing serious, just like you do. So why the other guys are out delivering hype and products they say are just like ours (not even close to ours), you can be assured that decades of dedication, tradition, innovation and taking care of our customers continues to be at the top of the list with Streeter Super Stands. It's not just our best selling kart stands and pit & trailer accessories- it's in everything we do. We are only satisfied when you are, because racers demand and deserve the best. We innovate. Not Imitate.

**STREETER SUPER STANDS - PIT & TRAILER ACCESSORIES**

**STREETER BIG FOOT**

The original, top selling and best! 8" pneumatic casters are great for rougher terrain. Standard black, red, blue powder coat finish or special order colors available. 34" height. Don't settle for less- demand a Streeter Big Foot Stand- The absolute best you can get!

- Black STR-2000-500-BLK
- Red STR-2000-500-RED
- Blue STR-2000-500-BLU

**STREETER FATTY BIG FOOT**

Our Fat Big Foot Stand has the same 8" pneumatic casters and design as the original Big Foot Stand, other than we use 1 1/4" tubing on this stand- A popular choice for owners of heavier karts like shifters and TaG. Durable powder coat finish.

- Black STR-2500-500-BLK
- Red STR-2500-500-RED
- Blue STR-2500-500-BLU

**STREETER SHORTY BIG FOOT**

The Shorty Big Foot Stand is the same as our standard Big Foot Stand, though stands at 28" in height. A nice option for owners of heavier karts, junior drivers, those more comfortable with a shorter height stand. Standard is a gloss black powder coat finish.

- Black STR-2600-500-BLK

**STREETER ROLLER**

The one that started it all! Large pneumatic rear wheels, and 5" poly casters up front. This stand is good for smooth terrain applications. Standard black powder coat finish. The first, the best! Only from Streeter.

- Black STR-2200-500-BLK

**STREETER KART STAND HAULER**

Store, transport and organize all those kart stands! Our kart stand hauler will hold 10 (we're told they'll hold even more) Streeter Rollers or Big Feet. Large teams and shops call these a "Must Have Item". Large pneumatic casters make it easy to move, while the top and four vertical posts easily remove for storage when not in use. The Streeter Kart Stand Hauler comes standard in black coat finish. Custom colors available by special order. Call for details and complete shipping information.

- Black STR-2300-500-BLK

**REGULAR STAND**

Our popular Regular Stand is great for use at home, at the shop, and at the track. Round top horizontal tubes, and durable standard black or red finish make this a great choice for any racer. Comes in durable gloss black powder coat. When only the best will do, there is only one choice- Streeter Super Stands.

- Regular Stand STR-2100-500-BLK

# SUPER LIFT

only from Streeter Super Stands

- Uses U1L stye battery (sold separately)
- Ships via affordable UPS Ground
- Black, Red or Blue color options
- Belt drive w/ SUPER WINCH brand winch
- Push handle with built in control switches
- The ONLY automatic lift tough enough to carry the STREETER name!

## Roll With The Best!

We worked closely and in-depth with racers, dealers and industry professionals to design a durable, functional and great looking automated lift stand. Built with the same great care and high standards as every Streeter Super Stands product, this stand is a fantastic option for any racer looking to get into an automated lift stand, who doesn't want to sacrifice quality over pricing.

The Super Lift has adjustable and anodized lift hooks that will adapt to practically any style rear bumper. We use 1 1/4" tubing on all frame work that is powder coated in your choice of black, red or blue, use a Super Winch Brand winch and the same quality wheels and casters as used on all of our stands. Each Super Lift is built with pride and dedication right here at our shop in the USA and ships to you via UPS Ground.

Do your research. Don't blow your hard earned money on some fly by night ramshackle contraction.

Only Streeter quality, innovation and our commitment to you raises the standards without lowering your expectations.

## HEY SOAP BOX DERBY RACERS!

Streater's Stackers and Big Foot Stands are the top choice for Soap Box Derby Teams!

# DOUBLE & TRIPLE STACKERS

**NO MATTER HOW YOU STACK IT,  
NOTHING BEATS A STREETER!**

**STREETER SUPER STANDS - PIT & TRAILER ACCESSORIES**

## CIK / SPRINT KARTS

Streeter's Double & Triple Stackers are a favorite amongst shops, teams and families with multiple karts. Stackers are great for displaying, storing, and transporting karts. Standard innovative features include laser cut gussets with strap hook holes and our exclusive stainless steel pins make it a breeze to assemble and dis-assemble the stackers. Beware of the copy cats! Only Streeter builds the best and number one selling Double and Triple Stackers. Standard in black, red or blue powder coat finish. Easily and affordably ships UPS Ground. Demand the best. Demand Streeter! Starting at \$330.00

## AWESOME ACCESSORIES

### STACKER TIRE RACK

The Streeter Super Stands Stacker Tire Rack is a great add-on for carrying your extra tires/wheels. Installs with four bolts and is the perfect length to match up to current Streeter Super Stands Stackers. Will work with both Double and Triple Stackers. Aluminum end plates and stainless steel support rods.

Stacker Tire Rack STR-3000-500 \$95.00

### STACKER TABLE TOP

Streeter Stacker Table Tops are a must have item for owners of Double or Triple Stackers. Why push your stacker off to the side once you get to the track or back to the shop? Now, with the easily installed (and easily removed) Stacker Table Top, You can utilize your Stacker as a work bench, display, or even use it as a serving area at your trackside cookout. Made from durable and easily cleaned .090 gauge aluminum, the Stacker Table Top will be one pit item you truly can call convenient. The top fits standard Streeter Double & Triple Stackers, and can safely be stored during transport. Great for use at the track, at home or at the shop.

Stacker Table Top STR0015V \$125.00

## OVAL / ROAD RACE

## FULL BODIED KARTS

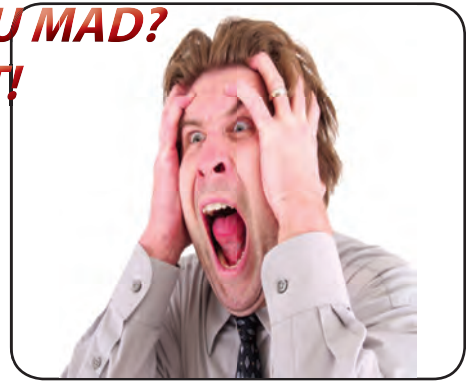

Owners of full bodywork karts including oval, road race, and 4-cycle sprint racers wanted a stable, versatile and durable stacker to transport their karts. We utilized the same great features of our standard width Double & Triple Stackers- including stainless steel pegs, laser cut gussets and cinch strap holes to come up with the optimum solution for owners of full bodied karts. With over 44" of inside width clearance, The Streeter Super Stands "Double Wide" Stacker is the only choice for full bodied oval, sprint, open and road racers. An overall width of 50", the "Double Wide" will still fit within the confines of most full size pickup truck beds and cargo trailers. Tough gloss black powder coat finish.

Double Wide Stacker STR-2900-500-BLK \$350.00

**IS A LACK OF STORAGE SPACE DRIVING YOU MAD?  
DON'T GET UPTIGHT, GET AN UPRIGHT!**

**STREETER SUPER STANDS - PIT & TRAILER ACCESSORIES**

## TOOL TRAYS

Stop wasting time re-organizing your tool box and looking for tools after every trip in the trailer or after that quick thrash at the track. Your time is more wisely used for winning races, rather than tool patrol. Our drawer trays/dividers are perfect for pliers, screw drivers, cutters, specialty tools, parts and more! We have a large selection of sizes available for any box and any budget.

### PIT AREA /SHOP FLOOR MAT

Heavy duty two layer mat will for certain keep your pit area tidy and easy to work in. Use to protect and keep your pit, trailer or shop clean and maintainable. 5' x 8'.5" when in use, the mat easily folds for storage to 24" x 15". Designed to give you a comfortable area to work on, the woven Poly micro fiber upper layer provides just the right surface area for working on your equipment and has max absorption to collect any fluid spills. The second layer, the impermeable membrane keeps all fluids, petrochemicals, battery acid, cleaners, water, mud and more from leaking through and damaging your floor or the environment. Mat can be easily cleaned with a mild detergent and hosed off, dried and reused over and over again.

Pit Area "Gorilla Mat"

### ENGINE PRE-HEATER

Get maximum power, reduced wear and reliability in both cold and normal weather by preheating your race engine!

- Optimum power-producing temperature in all weather conditions
- No pre-race free-revving, frees up time for race preparation
- 3 to 5 times less engine wear caused by cold starts
- Eliminates cold seizures and improves ring break-in

The Hot Head KartPro competition engine heater ensures race-ready engine temperatures. KartPro users' steady 135° F engine temperature help during tuning, practice, qualifying and most importantly.....race time!

This is a must for any Shifter, TaG, Rotax racer! Pays for itself versus costly engine rebuilds!
